

**INTEGRAL INZENJERING p.o. LAKTASI
LETTER OF RECOMMENDATION**

Parsons Delaware Inc. is the General Contractor responsible for the management of USAID's Municipal Infrastructure and Services (MIS) Program in Bosnia and Herzegovina.

Integral Inzenjering were awarded the Subcontract for the repair and upgrading the Republic of Srpska section of the M18, Tuzla Bijeljina Road. This was a substantial subcontract covering a road section of approximately 50 K.

The works were carried out in a professional manner, to a good standard and within the contract period, between July and December 1999.

The company performed well and were responsive to all technical and contractual matters that arose.

For Parsons

Bryan Samuel
Resident Engineer
6 December 1999
